

15th June 2026

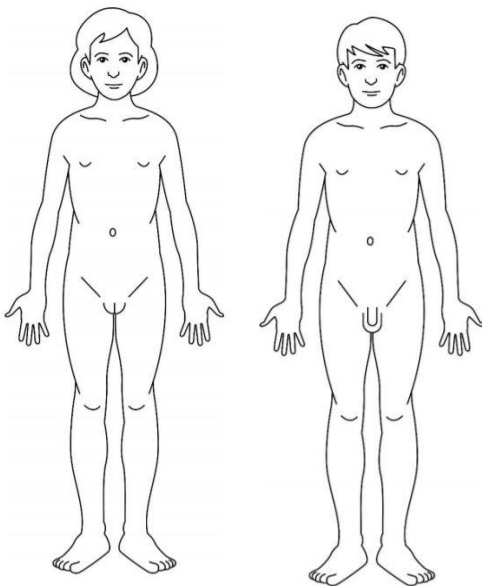

Dear Parents,

This term, we will be teaching our *Growing and Changing, Relationships and Health* curriculum. Below is an overview of the content we will cover, so that you can continue these important conversations at home.

### Key objectives

- to learn about the human life cycle and how people grow from young to old
- to understand how our needs (such as basic care) and bodies change as we grow up
- to identify and name the main parts of the body, including external genitalia (e.g. vulva, penis, testicles)
- to understand how to keep ourselves safe using the NSPCC PANTS rule — a simple, child-friendly way to talk about body safety
- to learn about change as people grow up, including new opportunities and responsibilities

These are the images that will be used:

**Dunsford Community Academy**  
Dunsford, Exeter  
Devon, EX6 7DD  
**T:** 01626 572971 **E:** [dunsford@lapsw.org](mailto:dunsford@lapsw.org)

## FLOURISHING FUTURES

Learning Academy Partnership Registered Office: Suite 4 Zealley House, Greenhill Way, Kingsteignton, Newton Abbot, TQ12 3SB Company number: 07713540

**INVESTORS IN PEOPLE**  
We invest in people Silver

Lessons will be delivered at a pace that meets the needs of the children. Whilst we have outlined one objective per lesson, we may cover more or less depending on the children's understanding and engagement. If you have any questions, please do not hesitate to contact me.

Kind regards,

Tanya Clark

Magpies Class
