

10th February 2026

Dear Parents and Carers,

We would like to invite you to a Year 4 **Multiplication Tables Check (MTC) Information Meeting** to share important details about the statutory multiplication assessment that all Year 4 pupils will complete in the summer term.

During the session, we will explain:

- what the MTC is and why it takes place
- what the check looks like for children
- how we are preparing pupils in school
- how you can support your child at home
- examples of the types of questions and digital format used

This meeting is designed to help you feel fully informed and to give you the opportunity to ask any questions you may have.

Date: Tuesday 3rd March 2026

Time: 3.30pm

Location: Magpies classroom

We hope you will be able to join us, as working together will help ensure that all children feel confident and ready for the check. If you are unable to attend, we will make the key information available afterwards.

Thank you for your continued support.

Kind regards

Mrs Clark

Year 4 Teacher
