

Wednesday 25<sup>th</sup> June

Dear Parents & Carers,

As you know, children in Reception, Year 1, and Year 2 are entitled to free school meals at no cost. This entitlement will **end once your child moves into Year 3 in September**.

However, school meals will still be available at **£2.85 per day**, or you may prefer to send a packed lunch.

If you believe your child may be eligible for Income-Based Free School Meals, please apply here: [Devon County Council Free School Meals](#). Even if you've previously registered for an older sibling, younger children aren't automatically included—you'll need to register them separately.

If you have any questions, please contact Mrs Sinton in the office, who will be happy to assist you.

Yours sincerely

Mr Grimley  
Head Teacher
