

Thursday 4<sup>th</sup> June 2026

Dear Parents and Carers,

We are pleased to inform you of an upcoming school trip to the National Marine Aquarium in Plymouth, which will take place on **Tuesday 7<sup>th</sup> July**.

This trip will take place during the normal school day and offers an exciting opportunity for pupils to enhance their understanding of marine life and environmental issues. During the visit, the children will take part in a “Climate Conundrum” activity, followed by time exploring the different aquarium zones.

What your child will need:

- A packed lunch
- A water bottle
- A snack
- A small rucksack to carry their belongings

All children should come to school wearing their normal school uniform.

If you would like to order a school packed lunch, please book this via MCAS by **Friday 19<sup>th</sup> June** as these will need to be pre-ordered. **Please ensure you chose from the Plymouth Aquarium – 7<sup>th</sup> July 2026 Menu as only these options will be available for Y5 & Y6 pupils on this day.**

Every effort has been made to keep the cost of this trip as low as possible and we are asking for a contribution of:

- £23.96 for Y6 Pupils (full cost)
- £3.97 for Y5 pupils (reduced cost thanks to generous PTFA subsidising) \*

\*Please note the PTA kindly subsidised the Year 6 residential by the same amount per child.

Please complete [this SOE3 form](#) to provide parental consent as soon as possible and make payment via MCAS. If you have any issues with making this payment, please ensure to speak with me or Mrs Sinton.

We believe this will be an engaging and educational experience for the children, supporting their learning in a fun and interactive environment.

If you have any questions, please do not hesitate to contact us.

Yours sincerely,  
Mrs Richards
