

Wednesday 11th June

Dear Kingfisher Parents,

Kingfisher Class Trip to Drakes Farm

Following on from our Science lessons this year on living things, we are very excited to be planning a trip to Drakes Farm. This trip will take place on **Wednesday 16th July**.

During the visit, the children will understand how farming contributes to local trade alongside learning about where their food comes from, how farming can contribute to conservation of habitats and species and how actions on the farm can contribute to mitigating against climate change. They will have the opportunity to engage in a number of activities from feeding animals and growing seeds, to nature hunts and exploring wormeries. There are fully covered areas in case of poor weather.

The children are asked to arrive at Drakes farm at Higher Fingle Farm, Crockernwell, Exeter, EX6 6NP for 9am wearing school uniform with suitable waterproofs and wellington boots. Please can all children bring a snack, a packed lunch and a full, refillable water bottle for the trip. If you would like to order school packed lunch, please do so via MCAS.

Lunches must be pre-ordered by Tuesday 1st July.

Please arrange for picking up children at 3:30pm from the farm.

Kind regards,

Mr Waters
